	LGV Driver	Revision	4; 21 Jul 17

Job Description

Department:	Transport Division
Hours of work:	Full Time hours as required over seven days per week. This will include evening, night and weekend working. Hours of work and rest periods will be managed to comply with relevant working time legislation e.g. The Road Transport (Working Time) Regulations 2005 and the EU Drivers Hours Rules. Weekly hours will average not more than 48 hours per week over the 26 weeks reference period. In accordance with the Regulations, working time does not include rest periods and periods of availability. You will also be required to spend nights away from your normal place of work on a regular basis (up to 5 nights per week).
Reports to:	Transport Assistant Manager, Transport Manager
Salary/wages:	Hourly rates dependent on qualification and type of vehicle; plus overtime and night out payments
Holiday:	28 days PA
Other benefits:	Company pension after three months

Aim of role:

To drive and operate LGV vehicles and plant to the greatest profitability, safety and efficiency according to instructions from the Transport Assistant Manager, having regard to safety of people, equipment, plant, vehicles, customers' sites and disposal sites.

Main Duties:

- Carry out driving and other duties (during the course of which ensuring that):-
 - Company policies and procedures under ISO 9001, ISO 14001 & OHSAS 18001 are complied with
 - Work Instructions are adhered to
 - All H & S legislation requirements are met
 - Transport legislation requirements are met
 - To be courteous and professional at all times to customers, colleagues and general public.
- To ensure that daily duties are carried out in a safe, efficient and professional manner.
- To ensure daily vehicle checks are undertaken (defect reports filled out), daily tachograph records are completed in accordance with current legislation and company policy and procedures.
- Report immediately to Transport Manager any issues that affect operations including observations/comments made by customers (negative and positive) that may improve efficiency or service.
- Imperative to wear company supplied uniform and PPE (if applicable) at all times.
- Ensuring that vehicles and equipment under the control of the operative are safe to use and operated in accordance with manufacturers and company policy and procedures.
- Ensure customers are treated with courtesy at all times.
- Ensure client is informed at all times regarding task and H&S issues.
- To work under own initiative and without supervision.
- Maintain good timekeeping.
- Flexible working including out of hours call outs and participation in the on-call rota.
- Work records, Duty of Care tickets, and all relevant documentation to be completed in full and in accordance with Future Industrial Services policy and procedures daily and returned to head office at the earliest opportunity. Timesheets are to be returned weekly.
