| Creation Date: | 09/02/18 | Next Review Date: | 01/01/19 |

All copies uncontrolled if printed

We operate with safety and compliance at the core of everything we do.

- We are committed to keeping our people, our customers and the environment safe by acting in a compliant and responsible way at all times

We provide industry leading service to all customers.

- We listen to our customers in order to understand their challenges, and we always provide value for money

We respect all of our colleagues.

- We treat our employees and all of our stakeholders with professionalism, dignity and respect

We find solutions for our industrial customers.

- We find new ways to solve problems by maintaining a network of innovative stakeholders and partners, and we always look to improve our performance by giving every member of staff access to a structured training and development programme

Integrity and Ethics are incorporated in all we do.

- The way we do business is open and transparent and we work with the highest integrity and ethics
